APPROVING CHANGE IN APPROPRIATIONS  
IN THE FY2023 HEALTH FUND BUDGET FOR  
*United Way Dental Clinic Expansion Pay Back Resolution***

**RESOLUTION NO. G-5518-03-23**

**WHEREAS**, the Health Department requests a change to the FY2023 budget; and

**WHEREAS**, unforeseen circumstances have arisen which give rise to an emergency situation in that valuable services cannot be paid without the amending of this budget; and

**WHEREAS**, the Macon County Health Department obtained funding from the United Way for a potential Dental Clinic expansion in collaboration with SIU; and

**WHEREAS**, the Macon County Health Department leadership regularly communicated with United Way regarding the funding. United Way encouraged the MCHD to maintain the funds with the possibility of this project restarting in the future; and

**WHEREAS**, the MCHD has determined that it is not feasible to collaborate with SIU, obtain adequate staffing for more patients; and in general reignite the Dental Clinic expansion project at this time; and

**WHEREAS**, the MCHD recently contacted the United Way regarding the status of these funds and United Way has requested that they be returned at this time; and

# **Macon County Health Department Employee Retention / Milestone Bonus Policy**

## **Preamble**

In an effort to provide incentives for employees to continue successful employment with the Macon County Health Department, a monetary bonus policy is adopted as described below.

### **1. Definitions**

- a. **Anniversary Date:** The first day of the month following an employee's start date. For example, an employee who begins employment on January 24, shall have an anniversary date of February 1 for each subsequent year of employment. An employee's most recent date of hire will determine the anniversary date; prior interrupted employment shall not be considered.
- b. **Milestone or Milestone Date:** The Anniversary Date occurring upon the accumulation of 5 years, 10 years, 15 years, 20 years, 25 years, and 30 years of uninterrupted employment.

### **2. Milestone Bonuses for Employees Who Have Achieved at Least 5 Years of Employment**

- a. Employees shall be paid a Milestone Bonus upon the accumulation of 5 years, 10 years, 15 years, 20 years, 25 years, and 30 years of uninterrupted employment.
- b. The Milestone Bonus amounts shall be as follows:

5 Years	\$1,000
10 Years	\$2,000
15 Years	\$3,000
20 Years	\$4,000
25 Years	\$5,000
30 Years	\$6,000
- c. Milestone Bonuses shall be paid with the first paycheck following the Milestone Date.
- d. Milestone Bonuses shall not be paid to employees who are on a corrective action plan on their Milestone Date.

### **3. Bonus Payments During Calendar Year 2023**

- a. This Milestone Bonus policy is effective as of January 1, 2023. Because there are numerous employees who have reached various milestones prior to 2023, but who may not reach their next milestone for years, the policy for 2023 only is as follows:

- i. Employees who have or will celebrate a Milestone in calendar year 2023 will receive their Milestone Bonus in the normal fashion; i.e., with the first paycheck following the Milestone Date.
- ii. Employees who achieved a Milestone Date prior to 2023 will receive a Milestone Bonus for the most recently achieved Milestone not later than the second paycheck after adoption of this policy by the Board of Health and appropriation is made therefore by the County Board, whichever occurs later.
- iii. Employees shall receive only one bonus based on the most recently achieved Milestone Date.

**4. Employees In Their First Year of Employment (Applicable Going Forward)**

- a. Employees who are in their first year of employment shall receive a bonus of \$125 after their first 90 days, provided they have a satisfactory evaluation. First year employees shall receive an additional \$250 after 180 days of employment, provided they have a satisfactory evaluation.

**5. Employees In Years 2 Through 4 of Employment (Applicable in 2023 Only)**

- a. In recognition of employees who have been employed for more than 1 year, but who will not achieve the 5 Years Milestone in 2023, such employees shall receive a one-time bonus of \$500, payable not later than the second paycheck after adoption of this policy by the Board of Health and appropriation is made therefore by the County Board, whichever occurs later. This Bonus shall be paid only to such employees who are in good standing at the time the bonus is to be paid.

**6. No Creation of or Vesting of Rights**

- a. This policy shall not be construed or understood to create or to vest in any employee a right to such bonus. This policy may be terminated by the Board of Health at any time without prior notice and without liability for then-unpaid Milestone Bonuses.
- b. An employee shall have no recourse for the failure or refusal of the Board of Health to pay any bonus described herein.
- c. Employees whose employment terminates between a Milestone Date and payment of the Milestone Bonus shall not be entitled to receive the Milestone Bonus.

**LOCAL PUBLIC AGENCY APPROPRIATION - REQUIRED FOR STATE LET CONTRACTS**

By execution of this Agreement the LPA attests that sufficient moneys have been appropriated or reserved by resolution or ordinance to fund the LPA share of project costs. A copy of the authorizing resolution or ordinance is attached as an addendum.

**METHOD OF FINANCING - (State-Let Contract Work Only)**

Check One

☐ METHOD A - Lump Sum (80% of LPA Obligation \_\_\_\_\_)

Lump Sum Payment - Upon award of the contract for this improvement, the LPA will pay the STATE within thirty (30) calendar days of billing, in lump sum, an amount equal to 80% of the LPA's estimated obligation incurred under this agreement. The LPA will pay to the STATE the remainder of the LPA's obligation (including any nonparticipating costs) in a lump sum within thirty (30) calendar days of billing in a lump sum, upon completion of the project based on final costs.

☐ **METHOD B** - \_\_\_\_\_ Monthly Payments of \_\_\_\_\_ due by the \_\_\_\_\_ of each successive month.  
Monthly Payments - Upon award of the contract for this improvement, the LPA will pay to the STATE a specified amount each month for an estimated period of months, or until 80% of the LPA's estimated obligation under the provisions of the agreement has been paid. The LPA will pay to the STATE the remainder of the LPA's obligation (including any nonparticipating costs) in a lump sum, upon completion of the project based upon final costs.

☒ **METHOD C - LPA's Share** \_\_\_\_\_ **Balance** \_\_\_\_\_ divided by estimated total cost multiplied by actual progress payment.  
Progress Payments - Upon receipt of the contractor's first and subsequent progressive bills for this improvement, the LPA will pay to the STATE within thirty (30) calendar days of receipt, an amount equal to the LPA's share of the construction cost divided by the estimated total cost multiplied by the actual payment (appropriately adjust for nonparticipating costs) made to the contractor until the entire obligation incurred under this agreement has been paid.

Failure to remit the payment(s) in a timely manner as required under Methods A, B, or C shall allow the STATE to internally offset, reduce, or deduct the arrearage from any payment or reimbursement due or about to become due and payable from the STATE to the LPA on this or any other contract. The STATE at its sole option, upon notice to the LPA, may place the debit into the Illinois Comptroller's Offset System (15 ILCS 405/10.05) or take such other and further action as may be required to recover the debt.

#### THE LPA AGREES:

1. To acquire in its name, or in the name of the STATE if on the STATE highway system, all right-of-way necessary for this project in accordance with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and established State policies and procedures. Prior to advertising for bids, the LPA shall certify to the STATE that all requirements of Titles II and III of said Uniform Act have been satisfied. The disposition of encroachments, if any, will be cooperatively determined by representatives of the LPA, the STATE, and the FHWA if required.

3. To provide for surveys and the preparation of plans for the proposed improvement and engineering supervision during construction of the proposed improvement.
4. To retain jurisdiction of the completed improvement unless specified otherwise by addendum (addendum should be accompanied by a location map). If the improvement location is currently under road district jurisdiction, a jurisdictional addendum is required.
5. To maintain or cause to be maintained the completed improvement (or that portion within its jurisdiction as established by addendum referred to in item 4 above) in a manner satisfactory to the STATE and the FHWA.

The contract and all books, records, and supporting documents related to the contract shall be available for review and audit by the Auditor General and the STATE. The LPA agrees to cooperate fully with any audit conducted by the Auditor General, the STATE, and to provide full access to all relevant materials. Failure to maintain the books, records, and supporting documents required by this section shall establish presumption in favor of the STATE for recovery of any funds paid by the STATE under the contract for which adequate books, records and supporting documentation are not available to support their purported disbursement.
8. To provide if required, for the improvement of any railroad-highway grade crossing and rail crossing protection within the limits of the proposed improvement.
9. To comply with Federal requirements or possibly lose (partial or total) Federal participation as determined by the FHWA.
10. To provide or cause to be provided all of the initial funding, equipment, labor, material, and services necessary to complete locally administered portions of the project.
11. (Railroad Related Work) The LPA is responsible for the payment of the railroad related expenses in accordance with the LPA/ railroad agreement prior to requesting reimbursement from the STATE. terminated for cause or default.

13. To include the certifications, listed in item 12 above, and all other certifications required by State statutes, in every contract, including procurement of materials and leases of equipment.
14. That execution of this agreement constitutes the LPA's concurrence in the award of the construction contract to the responsible low bidder as determined by the STATE.
15. That for agreements exceeding \$100,000 in federal funds, execution of this agreement constitutes the LPA's certification that:
  - a. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of congress, an officer or employee of congress, or any employee of a member of congress in connection with the awarding of any federal contract, the making of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.
  - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of congress, an officer or employee of congress or an employee of a member of congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit standard form - LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

1. To provide such guidance, assistance, and supervision to monitor and perform audits to the extent necessary to assure validity of the LPA's certification of compliance with Title II and III Requirements.
2. To receive bids for construction of the proposed improvement when the plans have been approved by the STATE (and FHWA, if required) and to award a contract for construction of the proposed improvement after receipt of a satisfactory bid.
3. To provide all initial funding and payments to the contractor for construction work let by the STATE. The LPA will be invoiced for their share of contract costs per the method of payment selected under Method of Financing based on the Division of Costs shown on Addendum 2.
4. For agreements with federal and/or state funds in construction engineering, utility work and/or railroad work:
  - a. To reimburse the LPA for federal and/or state share on the basis of periodic billings, provided said billings contain sufficient cost information and show evidence of payments by the LPA;

2. That this Agreement and the covenants contained herein shall become null and void in the event that the FHWA does not approve the proposed improvement for Federal-aid participation within one (1) year of the date of execution of this agreement.
3. This agreement shall be binding upon the parties, their successors, and assigns.
4. For contracts awarded by the LPA, the LPA shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any USDOT - assisted contract or in the administration of its DBE program or the requirements of 49 CFR part 26. The LPA shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of USDOT - assisted contracts. The LPA's DBE program, as required by 49 CFR part 26 and as approved by USDOT, is incorporated by reference in this agreement. Upon notification to the recipient of its failure to carry out its approved program, the STATE may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.). In the absence of a USDOT - approved LPA DBE Program or on state awarded contracts, this agreement shall be administered under the provisions of the STATE'S USDOT approved Disadvantaged Business Enterprise Program.
5. In cases where the STATE is reimbursing the LPA, obligation of the STATE shall cease immediately without penalty or further payment being required if, in any fiscal year, the Illinois General Assembly or applicable federal funding source fails to appropriate or otherwise make available funds for the work contemplated herein.
6. All projects for the construction of fixed works which are financed in whole or in part with funds provided by this agreement and/or amendment shall be subject to the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) unless the provisions of the act exempt its

application.

## FISCAL RESPONSIBILITIES:

1. **Reimbursement Requests:** For reimbursement requests the LPA will submit supporting documentation with each invoice. Supporting documentation is defined as verification of payment, certified time sheets or summaries, vendor invoices, vendor receipts, cost plus fix fee invoice, progress report, personnel and direct cost summaries, and other documentation supporting the requested reimbursement amount (Form BLR 05621 should be used for consultant invoicing purposes). LPA invoice requests to the STATE will be submitted with sequential invoice numbers by project.
2. **Financial Integrity Review and Evaluation (FIRE) program:** LPA's and the STATE must justify continued federal funding on inactive projects. 23 CFR 630.106(a)(5) defines an inactive project as a project which no expenditures have been charged against Federal funds for the past twelve (12) months. To keep projects active, invoicing must occur a minimum of one time within any given twelve (12) month period. However, to ensure adequate processing time, the first invoice shall be submitted to the STATE within six (6) months of the federal authorization date. Subsequent invoices will be submitted in intervals not to exceed six (6) months.
3. **Final Invoice:** The LPA will submit to the STATE a complete and detailed final invoice with applicable supporting documentation of all incurred costs, less previous payments, no later than twelve (12) months from the date of completion of work or from the date of the previous invoice, whichever occurs first. If a final invoice is not received within this time frame, the most recent invoice may be considered the final invoice and the obligation of the funds closed. Form BLR 05613 (Engineering Payment Record) is required to be submitted with the final invoice for engineering projects.
4. **Project Closeout:** The LPA shall provide the final report to the appropriate STATE district office within twelve (12) months of the physical completion date of the project so that the report may be audited and approved for payment. If the deadline cannot be met, a written explanation must be provided to the district prior to the end of the twelve (12) months documenting the reason and the new anticipated date of completion. If the extended deadline is not met, this process must be repeated until the project is closed. Failure to follow this process may result in the immediate close-out of the project and loss of further funding.
5. **Project End Date:** The period of performance (end date) for state and federal obligation purposes is five (5) years for projects under \$1,000,000 or seven (7) years for projects over \$1,000,000 from the execution date of the agreement.  
Requests for time extensions and joint agreement amendments must be received and approved prior to expiration of the project end date. Failure to extend the end date may result in the immediate close-out of the project and loss of further funding.
6. **Single Audit Requirements:** If the LPA expends \$750,000 or more a year in federal financial assistance, they shall have an audit made in accordance with 2 CFR 200. LPA's expending less than \$750,000 a year shall be exempt from compliance. A copy of the audit report must be submitted to the STATE (IDOT's Office of Internal Audit, Room 201, 2300 South Dirksen Parkway, Springfield, Illinois, 62764) within 30 days after the completion of the audit, but no later than one year after the end of the LPA's fiscal year. The CFDA number for all highway planning and construction activities is 20.205. Federal funds utilized for construction activities on projects let and awarded by the STATE (federal amounts shown as "Participating Construction" on Addendum 2) are not included in a LPA's calculation of federal funds expended by the LPA for Single Audit purposes..
7. **Federal Registration:** LPA's are required to register with the System for Award Management or SAM, which is a web-enabled government-wide application that collects, validates, stores, and disseminates business information about the federal government's trading partners in support of the contract award and the electronic payment processes. To register or renew, please use the following website: <https://www.sam.gov/SAM/>
8. **Required Uniform Reporting:** For work not included on a state letting, the Grant Accountability and Transparency Act (30 ILCS 708) requires a uniform reporting of expenditures. Uniform reports of expenditures shall be reported no less than quarterly using IDOT's BoBS 2832 form available on IDOT's web page under the "Resources" tab. Additional reporting frequency may be required based upon specific conditions or legislation as listed in the accepted Notice of State Award (NOSA). Specific conditions are based upon the award recipient/grantee's responses to the Fiscal and Administrative Risk Assessment (ICQ) and the Programmatic Risk Assessment (PRA)..

NOTE: Under the terms of the Grant Funds Recovery Act (30 ILCS 705/4.1), "Grantee agencies may withhold or suspend the distribution of grant funds for failure to file requirement reports" if the report is more than 30 calendar days delinquent, without any approved written explanation by the grantee, the entity will be placed on the Illinois Stop Payment List. (Refer to the Grantee Compliance Enforcement System for detail about the Illinois Stop Payment List: <https://www.illinois.gov/sites/GATA/Pages/ResourceLibrary.aspx>)
